**B** *I* U ~~S~~ {} x<sup>2</sup> x<sub>2</sub> ↺ ↻

ONLINE-CONF enables the society holding by an online form or the hybrid form. This system promotes the interchange and upbringing of the researcher accelerate. By the test marketing that started from November, 2020, I supported the study interchange in four universities including the joint retreat (study exchange meeting) of Tokyo University of Science and University of Tsukuba and society. Because a high evaluation was got by a user, I decided release formally.
